About Me

Junior Frontend Developer focused on building modern and responsive web applications using React, Next.js, and TypeScript. Experienced in creating landing pages, working with APIs, and implementing clean, user-friendly interfaces with Tailwind CSS and RTK Query. Highly motivated to grow through internship or junior-level opportunities, gain real-world experience, and contribute to team-based projects.

Education

| | |
|--|-------------------------|
| NajotTa'lim | Tashkent, Uzbekistan |
| Frontend Development | March 2024 – March 2025 |
| <ul style="list-style-type: none">Acquired in-depth knowledge of HTML, CSS, JavaScript, TypeScript, React, Next.js and modern frontend tools like Tailwind CSS and Git.Improved both soft and hard skills through modern teaching methods, practical projects, and a collaborative campus environment.Expanded professional network by engaging with peers, mentors, and guest instructors during on-site sessions and events. | |

Experience

| | |
|--|----------------------|
| Milliy IT Center | Tashkent, Uzbekistan |
| Junior Frontend Developer | May 2025 – Jul. 2025 |
| <p>Developed and successfully launched the company's official landing page and several introductory websites for various projects.</p> <p>Built responsive and high-performance user interfaces using React, JavaScript, and TypeScript, ensuring a modern look and feel.</p> <p>Implemented efficient data fetching and state management using React Query, improving application stability and speed.</p> <p>Utilized Tailwind CSS for rapid UI development and maintained clean, scalable code following industry best practices.</p> | |

Projects

| | | |
|---|--|-----------------------|
| Mann Home (E-commerce Platform) | Next.js, TypeScript, RTK Query, Tailwind CSS | Nov 2024 – Present |
